What [User](#) likes about Pepper Pot: food and service were incredible. with distance, some of the best Caribbean foods I had everywhere. the curry garnelen was amazing, and I recommend the special with bark meat, garnel, huh, brokkoli and rice. [read more](#). When the weather is nice you can also have something outside, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities. What [User](#) doesn't like about Pepper Pot: Food is really good here. I love the curry chicken. However You can have the best food ever but have terrible service and it will bring you down every time. The lady at the window she is very rude I have been twice in the last week spending \$60 or better each time and she was rude and she acted like she didn't wanna be there. That is the type of service that makes me not wanna eat there. [read more](#). The fresh and delicious *juices* listed on the drinks menu optimally complement the meals of the local, on the menu there are also a lot of Asian menus. The Asian fusion cuisine is also an important part of Pepper Pot. Anyone who finds the usual and generally known dishes too ordinary can here approach with a willingness to experiment and try some exciting combination of ingredients taste.
