charles [fast food](#) was my high-time recipe yesterday. every single person came to us and said how amazing it was eating. they served and let everything go smoothly! if they are looking for a fantastic authentic taco bar, they are the ones with which they go! [read more](#). What [User](#) doesn't like about Charles Fast Foods:

Not even close to what I hoped for. \$19 for a steak burrito that barely has any steak in it. Mexican rice that has no flavor and is just yellow. A little scoop of beans. And a cheese quesadilla. Way over priced for such poor quality food [read more](#).
