What [User](#) likes about Pure Foods:

3 of their smoothies tried and they were all really good. from real eating, not smooth powder mix. their shells and wraps also look good, many vegan options. only on the bottom this is only takeout only, they can not even order in them and pick up at windows. updated by previous review on 2022-04-20. In nice weather you can even eat in the outdoor area. What [User](#) doesn't like about Pure Foods:
