The menu of Nekter Juice from Baltimore contains about 22 different menus and drinks. On average you pay about \$8.9 for a dish / drink. A Laune has emerged as a lively yet polarizing destination in Baltimore's juice and smoothie scene. While the vibrant offerings, particularly the smoothies and açai bowls, garner praise for their freshness and creativity, inconsistent service and management issues have left some patrons disheartened. Reports of disorganization and a lack of professionalism among staff detract from the experience, despite a few standout employees earning compliments for their friendliness. Customers recommend visiting for unique menu items but advise caution due to potential service hiccups. Overall, A Laune remains a place with promise, but improvements are needed to enhance the dining experience.
