rad has daiya cheese and beyond burger! also their fried zucchini and fried jalapeños are vegan, although the menu does not say that. they can be fried in a common frit, I do not remember, but they do not contain any animal products. the waitress was so friendly and helpful what was vegan. we asked about the fried jalapeños and she went into the kitchen to check instead of guessing. she came back with information abo... [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, For a snack, you can also have the tasty sandwiches, small salads and other snacks. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, Of course, you also have to try the **tasty burgers**, that come with sides like fries, salads, or wedges offered.
