I have been so cheated since her comcast location closed because of kovid, but then they have reappeared! kalbs chkn caesar salat, the Cuban...viva la vegan smoothie. I have hunger to think about it! do not sleep on the chkn parm pesto, one of the best vegan sandwiches I have ever had! prices are legit and nice staff, same people from the last business. delivery of website or grub hub I saw online but not used it yet... [read more](#). What [User](#) doesn't like about Greens And Grains:

Sorry Greens and Grains, I really was looking forward to my meal but good god! I know this is just trashy vegan food but I can't remember the last time I had so much oil on my food. The chili was decent but the G+G Bowl and The Cuban Panini were swimming in oil. Never again [read more](#). If you want to try delicious **American dishes like burgers or barbecue**, Greens And Grains from Philadelphia is the place to be, Among the guests, especially delicious **juices** are highly sought after. Even if you're not so famished, you can treat yourself to one of the scrumptious sandwiches, a small salad or another snack, here they serve a *diverse brunch* in the morning.
