[The Menu](#) of McDonald's from Benton contains about **118** different dishes and drinks. On average, you pay for a dish / drink about \$3.0. What [User](#) likes about McDonald's:

I had a satisfying experience. My meal was enough. The price was very similar to the other 4 McDonalds I was on my way to work. The staff was not as hostile/indifferent as I used to. If you're craving some zesty South American cuisine, you've come to the right place: delightful dishes, prepared with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, Of course, you also have to try the delicious burgers, that come with sides like fries, salads, or wedges served. There are also fine American dishes, for example, **burgers and grilled meat**, for breakfast they serve a *tasty breakfast* here.
