My first time there ! It was honestly amazing! The burger was so so good , loved their bread! The salad was very fresh ! I went with my mom and we both enjoyed the food and juices very much. The staff was super friendly . It? s my new favorite place . [read more](#). In pleasant weather you can even be served in the outdoor area, and there is no-charge WiFi. What [AdamGold](#) doesn't like about Carrot Express:

If I was rating on any other app, it would be five-stars. The food is healthy, flavorful, and there a decent number of vegan items to choose from. As a vegan restaurant, it's disappointing because there are so many menu items that are either vegan or one ingredient away from being vegan, yet there are only a few of them have the vegan label. For example, none of the smoothies are made with cow-milk, just plant-milks... [read more](#). Perfectly pairing with the menus of the establishment are the fresh and succulent juices on the drinks menu, There are also scrumptious *South American* dishes in the menu. There are also easily digestible **Mediterranean dishes** available, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive diversity of both local and international beers, which are definitely worth a try.
