All right! I mean, all the products they use come from their own garden a few steps away. incredibly fresh and super aromatic. my burger was top-notch and the pommes were also knocked out. also the pickelsauce with the wobble rings was the star. They are on their early menu and change in the summer very soon they said. tipp: a side of fritten is definitiw enough for 2 people. [read more](#). The place also offers the possibility to sit outside and be served in nice weather. What [User](#) doesn't like about Folktable:

2 stars for the food, 0 for the bad servicelt took 50 minutes for us to get the food, and one of the items was just bread and butter.. We also ordered an ice tea at the very start, but it never came. When we found out we were charged for the ice tea from our bill, our server didn't even apologize, but instead showed a hint of annoyance. I wouldn't recommend going unless you have a whole day to kill. In case you're craving some seasoned South American cuisine, you're in the right place: tasty menus, cooked with *fish, seafood, and meat*, but also corn, beans, and potatoes are on the menu, There's something for every palate and it's impossible to go wrong with the bite-sized Tapas. There are also tasty American menus, for example, burgers and grilled meat, This restaurant offers a catering service that allows visitors to enjoy the meals at home or at the party.
