they have great chips and salsa. they have a grilled kaktus taco asking for no cheese to make it vegan. they also have a soy protein which is delicious on the al pastor taco. [read more](#). In pleasant weather you can even be served in the outdoor area, and there is no-charge WLAN. What [Michelle Hernandez](#) doesn't like about Tenoch Urban Kitchen:

Noticed my check was a bit high, and they overtipped themselves past the recommended tip to leave behind. We were only a party of 2 dining in. Food was mid, but atmosphere was great. [read more](#). If you're hungry some spicy South American gastronomy, you're in the right place: tasty meals, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, Of course, you also have to try the *tasty burgers*, that come with sides like fries, salads, or wedges served. Of course, there's also crisply crunchy pizza, baked straight from the oven according to traditional recipes, and you have the opportunity to try fine American meals like **Burger or Barbecue**.
