The restaurant from Englewood offers 329 different **dishes and drinks on [the card](#)** at an average \$8.9. What [User](#) likes about Thai And Chinese Express: was uncertain because the price had asked me the whole "if it is too good to be true, it is likely" thing, but I was wrong. first of that is the old school vibe, per captivating price, sodadosen, nice dame that they scream to someone in the kitchen. the food was at the top. had rice and noodles with orange whun and it was a1. I almost went back for more noodles, but I contained myself lol. will be back. [read more](#). If you're hungry for some *tasty South American culinary arts*, this is the place to be: delicious meals, prepared with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are in the menu, Many customers are especially looking forward to the versatile, tasty Chinese cuisine. In addition, there are scrumptious American dishes, such as burgers and grilled meat.
