The Teahouse offers a complex dining experience that evokes mixed feelings among patrons. While some rave about the delicious options, like sweet and sour fish and fresh soup dumplings, others criticize dishes such as the overly oily DanDan noodles and poorly executed chestnut chicken. Customer service is another point of contention, especially regarding the owner's demeanor. Nevertheless, many appreciate the tidy ambiance and generous portions, making it a hidden gem worth visiting. With an interesting menu selection and the potential for excellent meals, diners are encouraged to give it a try—especially if they're looking for affordable takeout or a cozy date night location.
