What [User](#) doesn't like about Fuzzy's Taco Shop: shredded chicken tacos were dry, their red sauces taste like edgy and black beans were suppe and had no taste. my damen there were rude when I asked if I could get green salsa and cilantro as if I would disturb them (and only 4 other mozens were there so that they were not busy) .still taste nothing better. I don't like to write bad critikens, but I'll never go back to this place when they go through. [read more](#).
