A complete [menu](#) of Naples Pizza from Little Egg Harbor Township covering all **38** menus and drinks can be found here on the card. Nestled in South Jersey, this pizzeria draws mixed reviews among patrons, with its [pizza](#) earning some praise but its service frequently criticized. Many diners note the pizzas are tasty yet expensive, suggesting that prices do not align with the quality—particularly for items like the sausage pizza, which suffered from frozen meat chunks. However, oversized portions and fresh ingredients shine through in signature dishes, making it a popular choice for takeout. While some reminisce about its nostalgic appeal and recommend the Brooklyn Pizza for vegetarians, others feel the lack of consistency in service and quality may hinder repeat visits.
