For **changing offers**, please contact the restaurant owner directly. You can also contact them through their website. What [User](#) likes about Blue Skillet:

I can't explain how hard it is to find a restaurant that doesn't cook any side with pork! as food lover I often like side as the meat and I was super excited to hear the baked beans, are vegetarian and so were the green beans! the fish was boiled to perfection and picking blues brain while waiting for my order topped the cake! [read more](#).

What [User](#) doesn't like about Blue Skillet:

I heard that the food was really good southern cooking but I beg to differ. I didn't like the food at all. I ordered a pork chop meal, the chop was not seasoned and had very little flour, so the chops were dry and tough, and the Mac and Cheese had no flavor. I also had cabbage which were good. I didn't care for this meal at all. [read more](#). The Blue Skillet in Lexington offers various **flavorful seafood menus**, Typically, the menus are prepared for you in the shortest time and fresh.
