3-star for eating only it tasted as if it had a sitting there and like freezer stuff, but was still in order, but the way the waitress was treated didn't feel right. You could just ask one if I'd rather ruin another's day. It is surprising to see that this day and age are treated differently on the basis of their ethnicity. I had a generous tipp to never go there again. A visit to Kostas Cafe Breakfast And Lunch is particularly valuable due to the large range of [coffee and tea specialties](#), In the morning they serve a *extensive breakfast* here.
