Overpriced to say the least. A terrible golfing experience. The course is well maintained but the layout is idiotic and unsafe you play out and back on top of and into other players for all 18 holes. The \$30 carts have a governor that make them all but unusable. With the amount of cheaper, better, and more accessible courses all around, you'd have to be stupid to play here. I never, ever will again. Waste of \$72. [read more](#).
