this is by far my favorite restaurant in the city! although it is not only a vegan or [vegetarian](#) restaurant, the options they have are incredible! I dream of this place on a regular basis get: the ginger calda samosas vegetarian knödel veggie rolls the vegetarian plate in the curry sauce with tofu [read more](#). What [User](#) doesn't like about Bangkok Gardens:

I love going here for the ambiance but I believe there's better Thai food in Columbia. Make sure you tell the server upfront that you're [vegetarian](#) or vegan and they'll help you navigate the menu. Wish they had a non-fish curry sauce option. Worth checking out. [read more](#). Bangkok Gardens from Columbia prepares tasty dishes, refined with the popular spices and (fish-)sauces of the **Thai cuisine**, along with plenty of freshly harvested vegetables, [seafood](#) and meat, there are also fine vegetarian menus on the menu.
