What [User](#) likes about Nustart Juicery: great place to grab a generous acai dish at a reasonable price. service is friendly, but they are puffed around the peak hours (lunchtime, to midday). so they expect to wait during this time. I wish they had more hours to open for them on Sunday, but I get that there could not be enough traffic to justify it. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [User](#) doesn't like about Nustart Juicery:

Would love this juicery a lot more if it kept up with the times. Online ordering is easier, faster and they would def get a lot more business if they do this. I clicked on their links with grubhub but nothing works and it says its closed....? I checked their hours and they are certainly not closed so not too sure why it says that on grubhub. There is no other way to order online so I guess ill just order from jamba j... [read more](#).
