The place from Syracuse offers **109** different **dishes and drinks** on [the menu](#) at an average \$7.2. What [User](#) likes about Limerick Pub:

loouong bar room. guinness on tap. two billard tables. a dart board and a juke box with plentiful hank williams. indoor galore with light filtering in and tiles all around. What [User](#) doesn't like about Limerick Pub:

Then a visit to this sports bar is just right: in addition to small snacks and menus you can watch the latest football matches, tennis or Formula 1, Moreover, the drinks menu of this gastropub offers a good and especially comprehensive variety of beers from the region and the world that are definitely worth a try. You can still relax at the bar after the meal (or during it) and enjoy a [alcoholic or non-alcoholic drink](#), The barbecued food is freshly *grilled* here on an open flame.
