I love [sushi](#)! I have the california roll and the shrimp tempura roll. both very good! I also mean the chicken lo, that was really good and white meat huh. I also got the chicken, the roasted rice could use a little more sauce, it was almost like white rice with sweet and huh, but still well I just tasted my own soy sauce. all eating was less than \$30! I can't expect to try more Chinese dishes and I'll order the same... [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Red Bowl Chinese:

Today was the worst experience I ever had at this place. I ordered beef and broccoli and shrimp. I got home all I had was broccoli and shrimp no meat. When I picked it up. I asked her was this my order she said yes. I went back got my money back. She said order was mixed up. So she lied to me and told me that was the right order.

Had to drive all way back and got money back. They never said sorry for lieing to me abo... [read more](#).
