Stopped by this restaurant to give a try. It's a small family owned restaurant with a friendly staff. Ordered the Chop Suey, Orange Chicken and Chow Fun. I was a bit skeptical in the beginning, thought it was like an overpriced Panda Express, but the food exceeded my expectation and fairly generous portions. Will be returning. [read more](#). What [User](#) doesn't like about Golden Dragon Chinese Food:

Okay. think about the amount of food they receive for a 2 article combo at panda express for about \$9. they get the same amount here for a carbahn robbery of \$15. was that eating good? Note: I am incredibly easy when it comes to eating. whatever. it's okay to eat for a ridiculous amount of money. go to a panda for cheaper or find a place somewhere else. this place leaves a lot to wish.
