User likes about Culver's:

so good! I always go to this special culver. they beat all the other shops, ironic, always clean and everyone will receive them when they walk in the door. eating is so amazing and hot, totally fresh. I want to make my happy dance when they bring my food on my table. very recommend young and gals! [read more](#). In beautiful weather you can even be served in the outdoor area. What User doesn't like about Culver's:

I've never been to a Culver 's where you get 2 meals and only ask for 2 sauces but get an extra sauce charge... that 's ridiculous. We also had to ask 3 times for our lemon cooler to be brought out. I don 't know what was happening inside but every person who went to get it never brought it back out. [read more](#). If you're desiring some *spicy South American cuisine*, you've come to the right place: delicious meals, roasted with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, The dishes are usually prepared fast and fresh for you. In addition, there are fine American menus, such as **burgers and grilled meat**. Of course, you also have to try the scrumptious burgers, that come with sides like fries, salads, or wedges provided.
