pricey. but delicious! at this weekend here for lunch. the server was fast and responsive, and eating really came out quickly! they pay a little more for their meal at \$15.20. that said everything was made clear. we ordered a steak queen and afteros, and both were great. also large portion sizes. this place is a bit more of a splurg because of the price, but we were not disappointed at all. I gave this place a try. The burrito was huge but filled with instant cheap ingredients. It was like a glorified taco bell burrito that was over priced. I bet it cost them \$5 to make it. After I ate it I felt like I ate a bunch of junk and was still hungry. If you like [fast food](#) this is the place for you. [read more](#). The fresh and succulent juices on the drinks menu perfectly complement the menus of the local, Particularly, many customers are looking forward to the **diverse, tasty Mexican cuisine**.
