Stopped here for lunch. It's just off I81 and easy to find. Inside its very old school diner, which is perfect. A few locals in here, which is good. Typical diner menu nothing unusual or unique here. We ordered the Fried Ranch Chicken Sandwich and a Reuben. Both arrived in good and were very good. It was our server's (Heather) first day and she did great, very friendly and prompt. Would stop here again. [read more](#). When the weather is good you can also eat outside. What [User](#) doesn't like about Thee Diner:

I think people should consider who passed their restaurant inspection before they were somewhere for the first time. my advice to the owner finds another cook. cannot have anyone in the food industry who makes her business look bad. this person obviously does not care about food safety and willing to use the community as sea pigs.
