this place is incredibly eating is perfect, serving, flavored and flavor are from this world service is amazing friendly, fun and make them so welcome it is a rustic small place with and excellent menu and I recommend to all those who are taste this place are also great I have nothing bad to say except I wish I could eat more oh and those dessert are the best [read more](#). What [User](#) doesn't like about Water Valley Inn:

The food is not worth it and the prices are high, I understand that now a days everyone has to raise their prices but to pay \$67 for two meals and a desert is not worth it. The chicken was so small that you can find bigger ones at the store, my husband and I have never been here before and this is our first and last time there. I would give this place two out of five and the only things about this restaurant that we... [read more](#). Water Valley Inn from Hamburg is the perfect place if you want to try fine **American courses like burgers or barbecue**, and you can look forward to the scrumptious classic [seafood](#) cuisine. You have the option to, after the meal (or during it), still relax at the bar with an **alcoholic or non-alcoholic drink**, Moreover, the drinks menu of this gastropub offers a good and especially extensive assortment of beers from the region and the world that are definitely worth a try.
