\$51 for lunch for three people. singapur noodle dish was okay, I'm sure my garnel was not completely boiled. He tasted old. I just pushed that meat to the side. Drinks are \$5 for a prefabricated cup. before the order I had explained this for the first time. I would like to have informed that it was one cup for \$5. Spring roles were not good. my children ordered the chicken eggs and said it was decent. I don't care to spend money on amazing food, but that was below average.
