wonderful, affordable eating with huge portions! I usually try a chimi for the first time when I visit a Mexican restaurant, and was thrilled that she used grilled, fajita style huhn in my chimi. will be back, affordable enough to bring and treat our pretty big family, and Chimi test passed- so will try to be a home speciality next. many thanks for a great family experience chihuas? I ordered the cancan fajitas .not to bad of a meal, but my speck wrapped garnels were a little on the taste, but everything else was on the point. I would come back and try another meal.?
