Great service, extensive food and drink menu, loved the homemade chips and clobular salsa and atmosphere in general was beautiful. I will say my only complaint was the shredded chicken in my enchiladas was very, very dry. The shredded beef was great, so I am not sure if that was a fuke thing over the chicken, but if you are on the fence between chicken or beef, go with beef! read more. The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities. An additional service offered by the establishment is the **catering service** for customers, Many guests are particularly looking forward to the diverse, fine Mexican cuisine. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink, Moreover, the drinks menu of this *gastropub* offers a good and especially large selection of beers from the region and the world that are definitely worth a try.
