Here you can find the menu of Panda Express in Phoenix. At the moment, there are 15 meals and drinks on the card. You can inquire about **changing offers** via phone. What [User](#) likes about Panda Express: panda never disappoints. the food was hot and delicious. this is not my normal location as restaurant of scottsdale rd. thomas seems to have fresher escapes (and a little better staff.) always go to ' when we eat Chinese. [read more](#). In pleasant weather you can even have something in the outdoor area. What [User](#) doesn't like about Panda Express:

I ordered the plate.shrimp.orange huh. chow my and brwn rice. I got exactly 4 shrimps..smh and a little scuffy chow mine that was buried under a ridiculous amount of brown rice. a part of the orange bun was burned, but there was a generous part of it. I'm really curious to know why is it when it comes to the garnel and the chow my they are so crazy stingy with the part, but they have no problem giving over a large am... [read more](#). Experience in Panda Express from Phoenix the *diversity of scrumptious Chinese cuisine*, traditionally cooked in a wok, Forbreakfast a hearty brunch is offered here. **Meals are usually prepared quickly for you** and brought to the table, The successful fusion of different dishes with fresh and occasionally daring products is highly valued by the visitors - a good example of Asian Fusion.
