My husband and I celebrated our anniversary here and it was fabulous! The waiter was really nice and helpful. The food tasted amazing and came out in a timely manner. We had a five course meal, with wine pairings and champagne. I would definitely recommend this place as a nice date night place, or to celebrate something. [read more](#). As a guest, you can use the WLAN of the restaurant free of charge, And into the accessible rooms also come guests with wheelchairs or physiological limitations. If the weather are right, you can also have something to eat outside. What [Ellie Schaefer](#) doesn't like about 464:

It's nearly impossible to mess up pasta. But they did it. I don't know what they did to it or how the other menu items taste, but the spaghetti was the worst food I've ever had at a restaurant. It tasted much worse than canned spaghetti sauce. The cheesecake was good. But it wasn't worth eating here. I will not be back and I definitely don't recommend coming here \n nEdit: it was 464. Their website menu shows pasta y... [read more](#). Various [tasty seafood menus](#) are offered by the 464 from Los Angeles, And of course, you should also try the fine burgers, with sides such as fries, salads, or wedges served.
