**The Card of Jersey Mike's from Burke** includes about **13** different dishes and drinks. On average, you pay for a dish / drink about \$5.6. Jersey Mike's presents a mixed bag of experiences for diners, characterized by delicious sandwiches but marred by inconsistent service. Many customers rave about the freshness of the subs, particularly the cheesesteaks, and the quality of ingredients. However, frequent complaints about order inaccuracies, long wait times, and unhelpful or rude staff members have become common. The atmosphere tends to feel cramped, and cleanliness at times seems neglected. While those who appreciate high-quality **fast food** may enjoy what Jersey Mike's offers, potential diners should be prepared for service that may not always match the culinary quality.
