We had a family dinner here to welcome relatives from Northern California. Everyone enjoyed their food and the selection of beer and cocktails. I did have to ask the staff to turn on the Ducks game in favor of an out of town NHL game [read more](#). In beautiful weather you can even eat and drink in the outdoor area, And into the accessible rooms also come customers with wheelchairs or physiological disabilities. If eating and drinking is too boring for you, go to this [sports bar](#) for a variety of small snacks and menus and catch live football, tennis or Formula 1 games, Here, the barbecued food is freshly **prepared** on an open flame. When you're not so ravenous, you can just treat yourself to one of the fine **sandwiches**, a small salad or another snack, There are also tasty *South American* dishes in the menu.
