Always good food, hot and fresh!! Only problem we have is it always takes forever, there should be a sign up (A BIG SIGN) that says you'll be waiting at least 45 minutes but the food is worth it!! That's my only complaint!! [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities. What [User](#) doesn't like about Copeland's Cafe:

Gross! Got a hamburger. It was extremely greasy. They supposedly won the best burger in Seymour. Not too hard when your competition is Sonic, which is also gross. The owner has nasty looking tattoos and a nasty personality to go with them. Just look at how she responds to people who leave honest reviews. Also, look at how short the reviews that say the place is great are. They are probably left by the owner. [read more](#). If you're desiring some *spicy South American cuisine*, you've come to the right place: delicious dishes, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, and you can try fine American menus like **Burger or Barbecue**. Of course, we must not forget the extensive variety of coffee and tea specialties in this restaurant, And of course, you should also try the tasty burgers, with sides such as fries, salads, or wedges served.
