Original drinks are off the hook. And the hostess and other girls very nice. Sam was waiting for us and we couldn't have asked for a better waiter. He was informed about the place, the food, the drinks, etc. Appreciate that. [read more](#). In beautiful weather you can even be served in the outdoor area. What [Violette Weissnat](#) doesn't like about Toast - Summerville:

Look forward to the *diverse, tasty Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), In addition, the charming desserts of the local shine not only in the eyes of the little guests. There are also tasty American meals, for example, burgers and grilled meat, They also present nice **South American** menus to you on the menu.
