This hidden jewel is a total surprise. Don't judge a book or a restaurant by its cover! This place has very tasty curry goat, whole red snapper (which is hard to find at other Jamaican places) and the best beef Patties in town! My husband is addicted to them! Give them a try. The restaurant is clean and friendly! [read more](#). What [1Kerry W \(6 3 years ago on Google\)](#) doesn't like about Caribbean Kitchen And Grill:

I use to eat here twice a month spending some where around 90 to 110 dollars a month. With my last order of 40\$, I ask for a cup of ice and they wanted to charge .50 cents for a cup of ice on a 40\$ order. So with that said I will never go back. As a business person you should never loose a good customer over .50 cents. [read more](#). Various *flavorful* [seafood](#) courses are provided by the Caribbean Kitchen And Grill from Douglasville, Here, the **barbecue** is freshly **prepared** on an open flame.
