[Shantha Marie F](#) doesn't like about Jimmy's Egg:

Food was good, but received chicken tenders instead of Country Fried Steak and there was no gravy. The only saving grace was that the chicken tenders were good and my significant other thought they were good so he wasnt as disappointed. My omelette was good as usual. No syrup for the silver dollar pancakes and had to get some from the fridge. A minor inconvenience. Normally a 4-5 star restaurant for breakfast. [read more](#).
