The price is not bad for a buffet all you can eat Chinese food. Lunch I think was \$7.50 if that. 2 tv's inside you can also get 2 -3 items to go. If want as well. Food is ok under hot lamps. They have fried chicken. And about 16 pans on the buffet soda is \$1.65 I think not sure. But it's open and roomy close to the rtd 525 725 stop. About 2 blocks from the fair oaks library. it is great to see that there are several joints to open the opposite. eating here was decent not excellent, noodles were too dry for example for the price I guess his something to not complain about, but if they are looking for delicious Chinese food, they are looking elsewhere. the customer service is therefore good the 3 stars.
