Went to this establishment due to the great reviews, and was incredibly dissappointed. The drinks were expired by several weeks, the chicken and vegetables were so over cooked that they were tough and chewy. The only good part of the meal were the beans. The staff was very pleasant to deal with though. Food overall terrible quality. Would not recommend. [read more](#). Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
