The place from Berkeley offers **74** different *dishes and drinks* on [the card](#) at an average price of \$3.7. What [User](#) likes about Bubbakoo's Burritos:

Since new management things are much improved.....new help along with inhouse improvements have made a big difference. One staff member, anthony, was quite pleasant and very helpful ...wish more young workers worked as hard or took as much pride in serving customers [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations, and there is free WiFi. What

[User](#) doesn't like about Bubbakoo's Burritos:

my son was very sick after I had eaten here. we can't prove that it was the cause of his food poisoning, but it happened a few hours after eating here. I don't think that the personal practiced a safe way to live. I wouldn't have been staring, but not. he'll never be back. [read more](#). Anticipate the **varied, tasty Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
