What [User](#) likes about Meta Burger: I like the concept and tried burger and chicken style sandwiches. I prefer the latter. burgers are good, but not great. when they get mac n cheese, they serve in a plastic, disposable container. ask for a paper boat they can recycle. I would skip the shakes because I can make tastier smoothies home. [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather. What [User](#) doesn't like about Meta Burger:

Very good burgers, fries and shakes. Though, the price is a little expensive. The large shake looks like the regular size. The large size shake is about a small shake at other burger places. Maybe have a label of the sizes? The burgers and sandwiches are all \$10 without fries. Wish there was a smaller size for someone who doesn't want to spend that much money. [read more](#).
