What [User](#) likes about Mixteca:

we found this jewel last week on cinco de mayo. great drinks, service and especially the staff. Today went to lunch and it was great again. two of them up! mine man and I want to be here regularly! Newly established wood [read more](#). In nice weather you can even be served in the outdoor area, And into the accessible rooms also

come visitors with wheelchairs or physiological disabilities. What [User](#) doesn't like about Mixteca: 40 cent just to lean on her tacos is absolutely ridiculous! I have never had a problem with this place. I understand that places have increased their prices, but for leaning on the side of \$4 on their tacos 40 cent. the waitress never came by, had to ask others waitress on dinge. my waitress didn't seem to know what she was doing. She always said I was asking. I ask for a manager, she says he's busy, he can't talk to them. the waiters are standing around and watching as if there is nothing to do. very unprofessional. Look forward to the diverse, delicious Mexican cuisine, traditionally prepared with corn, beans and chilies (hot peppers), It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Look forward to the enjoyment of *delicious vegetarian dishes*, You can't absolutely nothing wrong, particularly with bite-sized **Tapas**, because there is something for all tastes.
