we enjoy the possibilities in barberitos. it is a beautiful change from their usual taco spot. the burritos are great! they regularly have fresh elements to add to their menu item. they can get a lot to do, but we have nothing to wait for. the queen is decent. this situation is not the cleanest, but still we are still immersed. the chips and salsa are good [read more](#). When the weather conditions is nice you can also eat and drink outside, And into the accessible spaces also come visitors with wheelchairs or physical limitations. What [User](#) doesn't like about Barberitos Charleston:

this place is the new Taco bell. terrible service and bad eating. I ordered online, they delivered the wrong order, I drove past there and they made fresh the order they never made at first place and placed 2 torf on there that were not on the order (they have entered into their hand.) now frisst cheerios. ruined film night. go somewhere else.
