I love the food here. This was the first spot I came to when I came to Columbus. The customer service is amazing as well. My favorite is the rice with fish and lamb (debe). Definitely recommend. [read more](#). What [User](#) doesn't like about S&d International Store Grill:

I've never actually shopped here but they do have a kitchen so I decided to try them for lunch. I had garlic Parmesan wings and beef fataya. The fataya was cooked well and had a nice kick. It tasted fine. The wings were a nice size but they were very tough. In my opinion, the sauce was too tangy. Didn't like them. Considering this is an African spot, I'll stick to traditional African dishes next time. [read more](#).
