Pizza is unique, the location and atmosphere probably couldn't be better! As good as those two things are, is as bad as the service and wait time. Go an hour or 2 before you're hungry and you'll have 3 to enjoy the beautiful setting, if you're lucky some of that time may be while you eat. Beer is great too, so 3 stars, hope they reopen and hire more help, or buy another oven or something. [read more](#).
