[The Menu](#) of Cello Ristorante Bar from Paso Robles contains about 46 different dishes and drinks. On average, you pay for a dish / drink about \$13.8. What [User](#) likes about Cello Ristorante Bar:

we were at the hotel for 2 nights and have eaten twice. that says something. a night lively, a night quiet, but every night was eating very good and consistent, and the setting on the terrace under the arcades was perfect. much better than a typical hotel dining room, the restaurant stands on its own. it was a nice dinner for the comfortable situation that we stay in the resort, we are located; because is not a restaurant I drive to go for a special celebration; the services is really training to be friendly, but they really lack at high restaurant level; is more a casual setting at a beautiful place; food is not special commercial to dream, come back and enjoy their palate.
