This small (to-go or eat at tables outside) restaurant is a largely undiscovered gem in Templeton. Their grass-fed meat burgers are great! The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and be served. What [Scott Lawrence](#) doesn't like about Grassfed By Rangeland: These hamburgers used to be so very good. We got burgers today and they were way smaller and overcooked from the last time we visited. Both burgers had very little seasoning, were overcooked and dwarfed by the huge bun. Not sure we'll return again. [read more](#).
