Please note my review. bring us fried pickles and give them chelsea a golden star! [read more](#). The restaurant also offers the possibility to sit outside and be served in pleasant weather. What User doesn't like about Jerzee's Sports Grille:

eating was good, but small portions and overpriced. also disappointing that the only wheelchair-friendly seating set was outside with the smokers on the terrace. also no Handicap parking space in front. not everyone wants to press a wheelchair half block, then eat in the cold, while others smoke around them. for us it's a big mistake.
