What User likes about Tasty Noodle House: eating is absolutely delicious! at others would put the prices for large amounts of food like these are much higher, but the prices are incredible how low they are! would recommend! 10 of 10! [read more](#). What User doesn't like about Tasty Noodle House:

that was very tasty, I will give them that. only halfway through my beef-curry plate I realized there was a hair in my food. I gave them the advantage of the doubt and ate with it. mistakes happen, I understand. a few minutes later my friend also noticed something in his teller. it turned out to be moskito. we said the waitress and they assured us that the manager would come out soon. the manager never came, but the...
