1/28/2022 My wife and I came in to have the special specifically because the chef had told us he was making the Salmon special that originally made us fall in love with the place. It was awful the salmon was overcooked and the risotto was undercooked. I am finding the kitchen to be hit or miss. We absolutely love the front staff and they are always picking up the slack from the kitchen!. If you're craving for some *fiery South American culinary arts*, this is the place to be: exquisite dishes, roasted with fish, [seafood](#) delicacies, and meat, but also corn, beans, and potatoes are on the menu, Also, the drinks menu at this place is exceptional and offers a significant and comprehensive variety of both local and international beers, which are definitely worth a try. Moreover, there are scrumptious American dishes, such as [burgers and grilled meat](#), At the bar, you can relax with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
